

JABRA PRO 900 SERIES

WIRELESS FOR EVERYONE.

Jabra®

The Jabra Pro 900 series is a professional entry-level wireless headset that offers all the essential Jabra headset features available in a MONO and DUO variant. The Jabra Pro 920/925 for deskphone users, and the Jabra Pro 930/935 for softphone users. Simple, intuitive and high quality, all in one wireless solution.

SIMPLE, INTUITIVE DESIGN FOR FAST USER ADOPTION

One base to show charged status, and one headset with duo* or mono option, makes this easy to set up device an attractive solution for office workers and contact centres alike. The Jabra PRO 930/935 comes with five different ringtones, so employees will always know when its their phone ringing. Crucial for today's open plan office environments and noisy contact centres.

IMPROVE EMPLOYEE PRODUCTIVITY

Walk and talk up to 120 meters/350 feet** away from your desk for improved collaboration, multi-tasking, and productivity.

USER SAFETY AND CRYSTAL CLEAR AUDIO

For all its ease of use the Jabra Pro 900 series wireless headset is still all about audio quality and user safety. Jabra SafeTone™ technology clips off loud sounds for extra hearing protection. This ensures employees are working within safe sound levels according to EU and US regulations. Visit Jabra.com/hearingprotection to find out more.

EASY TO DEPLOY AND MANAGE

The Jabra Pro 900 series is optimized for use with all leading desktop phone systems and Unified Communications platforms. Compatible with Jabra Xpress you can future proof

JABRA PRO 900 SERIES PRODUCT FEATURES

Crystal Clear Sound

Digital Signal Processing for clearer sound

Clear sound is essential for a good conversation not to mention call efficiency and accuracy. Digital Signal Processing (DSP) in Jabra audio devices will remove background noise and echo as well as protect the user against sudden high peaks in volume. Call handling time and potential misunderstandings are significantly reduced.

HD Voice – Wideband Audio

High quality audio for crystal clear conversations

Enjoy high-definition sound with HD Voice and get crystal clear, intelligible communication. You get life-like, vibrant conversations where you can focus on the content and don't have to struggle to understand what the person on the other end of the line is saying.

Noise Canceling Microphone

Reduces unwanted background noise

Noise Canceling microphones reduce unwanted background noise and are ideal in crowded and noisy, open office environments.

Remote Call Control

Seamless integration between your phone and headset

Answer and end calls on the Jabra audio device with seamless integration between your phone and headset. The remote call control gives you the power to multitask and be productive. With a Jabra wireless audio device you can control your call even when you are away from your desk.

SafeTone™

Enhanced hearing protection

Jabra SafeTone™ includes Jabra PeakStop™ and Jabra IntelliTone™, the enhanced hearing protection technology. Benefit from clear, crisp and automatic limitation of average volume exposure during your workday according to acoustic standards and regulations. A feature that offers you significant confidence, safety and comfort while enhancing the quality of your communication.

Talk in Comfort

Be kind to your ears

Assure total comfort with a wide range of styles that match your individual needs and personal fit requirements. Our light, ergonomically designed frames along with soft ear cushions, adjustable headbands and microphone boom will guarantee that your headset will be comfortable all day long.

VARIANT SPECIFIC PRODUCT FEATURES

BLUETOOTH MODELS

100 Meter/300 Feet Wireless Freedom

Hands-free communication up to 100 meters/300 feet

Featuring Bluetooth® Class 1, your Jabra device enables you to connect to a vast range of devices from smart phones and tablets to laptop computers. You get a wireless mobility up to 100 meters/300 feet giving you full control of your hands-free Jabra voice solutions. You can call and multitask on your terms.

12-hour Battery Life

Talk up to 12 hours with no battery life concerns

A wireless audio device would not be a useful tool without an incredible battery life. Even with so much performance packed into such a small space, it still lasts up to 12 hours on a single charge. So you can talk and work as long as you want.

Tap-To-Connect

Connects devices with a simple touch

Near Field Communication technology (NFC) makes it easy for your Jabra device to instantly connect and interact with phones, tablets, and interactive tags. It requires no more than a simple touch. Just tap the phone and the Jabra device together and you are ready to talk or stream your music.

Dual Connectivity

Manage all your calls from one single headset

Dual connectivity technology lets you manage phone calls from several different audio devices, with one single headset. You get greater flexibility and enhanced user experience.

DECT MODELS

120 Meter / 350 Feet Wireless Freedom

Hands-free communication up to 120 meters / 350 feet

Get wireless mobility up to 120 meters / 350 feet to fully control your Jabra hands-free solution with DECT technology. Answer calls, multitask and move freely around on your terms.

8-Hour Battery Life

Talk up to 8 hours with no battery life concerns

A wireless audio device would not be a useful tool without an incredible battery life. Even with so much performance packed into such a small space, it still lasts up to 8 hours on a single charge. So you can talk and work as long as you want.

JABRA PRO 930/935 MODELS

UC Plug-And-Play

Plug-and-play with all leading UC platforms

Jabra devices feature intuitive call control and seamless connection to all leading UC applications and softphones. They are easy to set up and easy to use, leaving you free from any installation expertise or extensive training requirement.
